## LESSON OVERVIEW

### What should students know/do by the end of this week's lessons?

Students will learn to state two classroom rules and demonstrate how to ask for help. They will also learn to handle computer equipment carefully and save a named piece of work. Through teacher demonstrations, discussion and practical activities, students will practise these skills and explain their ideas.

### End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Ask each pupil to demonstrate a rule and explain how it helps the class. Ask pupils to show the saved file and one safe equipment-care action. Note pupils who need further guided practice.

## LESSON SLOTS - MONDAY AND THURSDAY

| Lesson | Date | Learning Objective | The Lesson Flow | Differentiation |
|---|---|---|---|---|
| 1 | 24 August 2026 | By the end of this lesson, students will be able to state two classroom rules and demonstrate how to ask for help. | **H:** Ask pupils what helped them learn with computers last year.<br><br>**ID:** Introduce the weekly routines, kind language, turn-taking and the agreed help signal.<br><br>**WD:** Model entering calmly, listening with hands away from the keyboard and asking for help with a pretend problem.<br><br>**YD:** Pairs practise the arrival routine and draw one rule with a reason.<br><br>**C:** Ask each pupil to demonstrate a rule and explain how it helps the class. | **Support:** Use labelled device pictures, a word bank and a paired demonstration. Accept pointing and an oral explanation before writing.<br><br>**Extension:** Ask pupils to compare two suitable choices and explain which is more useful for a particular task. |
| 2 | 27 August 2026 | By the end of this lesson, students will be able to handle computer equipment carefully and save a named piece of work. | **H:** Show a tidy and an untidy computer station and ask which is ready to use.<br><br>**ID:** Explain gentle handling, dry hands, safe posture and the class folder for saved work. | **Support:** Use labelled device pictures, a word bank and a paired demonstration. Accept pointing and an oral explanation before writing.<br><br>**Extension:** Ask pupils to compare two suitable choices and explain which is more useful for a particular task. |

| | | | | |
|---|---|---|---|---|
| | | | **WD:** Open a drawing, make a small mark and save it with a short meaningful name in the class folder.<br><br>**YD:** Pupils create a small drawing, save it with guidance and leave the station tidy.<br><br>**C:** Ask pupils to show the saved file and one safe equipment-care action. | |

## MATERIALS NEEDED FOR THE WEEK

- Oxford International Primary Computing Student Book 2 printed pages 3
- Teacher computer and display
- Classroom computers or laptops and the class save folder
- Prepared picture cards, vocabulary prompts or task sheet
- Whiteboard and markers
- Student notebooks, pencils and colouring materials
- Prepared examples and the lesson success checklist

## END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
