LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to save a teacher-approved image to a named folder and reopen it. They will also learn to choose a suitable website using a teacher-provided checklist. Through teacher demonstrations, discussion and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check the correct folder, meaningful name, reopened image and retained source label. Ask pupils to use one checklist point and state what to do if a page feels wrong. Note pupils who need further guided practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	2 November 2026	By the end of this lesson, students will be able to save a teacher-approved image to a named folder and reopen it.	**H:** Show a suitable fruit picture and ask how we can keep it for the restaurant activity. **ID:** Explain that online images belong to their creators; use only teacher-approved images with suitable reuse permission and keep the source. **WD:** Model selecting the prepared image, saving it with a clear name in the class folder and reopening it. **YD:** Pupils save one approved food image, record its source with a prepared label and reopen the file. **C:** Check the correct folder, meaningful name, reopened image and retained source label.	**Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources. **Extension:** Ask pupils to justify a choice using two checklist points and explain how to keep a useful source record.
2	5 November 2026	By the end of this lesson, students will be able to choose a suitable website using a teacher-provided checklist.	**H:** Compare a clear restaurant page with a fictional confusing page full of pop-ups.	**Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources.

			ID: Discuss relevance, understandable information and asking an adult about unfamiliar or worrying pages. **WD:** Model checking a prepared page against useful for my task, readable and approved by my teacher. **YD:** Pairs compare two printed or teacher-selected pages and select the more suitable one with a reason. **C:** Ask pupils to use one checklist point and state what to do if a page feels wrong.	**Extension:** Ask pupils to justify a choice using two checklist points and explain how to keep a useful source record.

MATERIALS NEEDED FOR THE WEEK

- Oxford International Primary Computing Student Book 2 printed pages 26-29
- Teacher computer and display
- Classroom computers or laptops and the class save folder
- Prepared picture cards, vocabulary prompts or task sheet
- Whiteboard and markers
- Student notebooks, pencils and colouring materials
- Prepared examples and the lesson success checklist

END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
