LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to respond to an unexpected or worrying screen by stopping and telling a trusted adult. They will also learn to identify personal information and explain why they should ask an adult before sharing it online. Through teacher demonstrations, discussion and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check that pupils choose adult help and do not try to investigate the screen themselves. Ask pupils to identify protected information in a fictional example and give the safe next action. Note pupils who need further guided practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	9 November 2026	By the end of this lesson, students will be able to respond to an unexpected or worrying screen by stopping and telling a trusted adult.	**H:** Describe a pretend pop-up that asks the pupil to click for a prize. **ID:** Explain the class safety routine: stop, do not respond or download, and tell a trusted adult. **WD:** Role-play calmly moving hands away from the controls and using the agreed help signal. **YD:** Pupils practise responses to picture scenarios, including a pop-up, unknown message and uncomfortable image. **C:** Check that pupils choose adult help and do not try to investigate the screen themselves.	**Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources. **Extension:** Ask pupils to justify a choice using two checklist points and explain how to keep a useful source record.
2	12 November 2026	By the end of this lesson, students will be able to identify personal information and explain why they should ask an adult before sharing it online.	**H:** Show cards for a favourite colour, a home address and a password. **ID:** Explain that identifying details, contact details and passwords require protection; never ask	**Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources. **Extension:** Ask pupils to justify a choice using two

			pupils to disclose real examples. **WD:** Use fictional information to model refusing an unexpected request and asking a trusted adult. **YD:** Pupils sort fictional information cards and create a short ask-an-adult reminder for an online form. **C:** Ask pupils to identify protected information in a fictional example and give the safe next action.	checklist points and explain how to keep a useful source record.

MATERIALS NEEDED FOR THE WEEK

- Oxford International Primary Computing Student Book 2 printed pages 30-33
- Teacher computer and display
- Classroom computers or laptops and the class save folder
- Prepared picture cards, vocabulary prompts or task sheet
- Whiteboard and markers
- Student notebooks, pencils and colouring materials
- Prepared examples and the lesson success checklist

END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
