## LESSON OVERVIEW

### What should students know/do by the end of this week's lessons?

Students will learn to find suitable restaurant information and save an approved image while following the safety routine. They will also learn to apply safe searching, image saving and personal-information rules in a short learning check. Through teacher demonstrations, discussion and practical activities, students will practise these skills and explain their ideas.

### End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Observe search choices, file saving and whether pupils ask for help when needed. Record which skills pupils perform independently and which need further guided practice. Note pupils who need further guided practice.

## LESSON SLOTS - MONDAY AND THURSDAY

| Lesson | Date | Learning Objective | The Lesson Flow | Differentiation |
|---|---|---|---|---|
| 1 | 16 November 2026 | By the end of this lesson, students will be able to find suitable restaurant information and save an approved image while following the safety routine. | **H:** Revisit the restaurant challenge and the class search checklist.<br><br>**ID:** Explain the task: find a suitable food picture and one useful fact using only the prepared resources.<br><br>**WD:** Model choosing keywords, checking a result, saving an approved picture and retaining the source label.<br><br>**YD:** Pupils complete a simple restaurant information sheet with one fact, one picture and its source.<br><br>**C:** Observe search choices, file saving and whether pupils ask for help when needed. | **Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources.<br><br>**Extension:** Ask pupils to justify a choice using two checklist points and explain how to keep a useful source record. |
| 2 | 19 November 2026 | By the end of this lesson, students will be able to apply safe searching, image saving and personal-information rules in a short learning check. | **H:** Display the search, save and safety picture prompts.<br><br>**ID:** Explain the practical and picture tasks; remind pupils to use fictional information throughout. | **Support:** Use only teacher-selected pages or printed screenshots. Provide a picture checklist and support reading, saving and recording sources.<br><br>**Extension:** Ask pupils to justify a choice using two |

| | | | | |
|---|---|---|---|---|
| | | | **WD:** Model the task format with an unrelated page and show how to ask for help without suggesting answers.<br><br>**YD:** Pupils choose search words, select a suitable page, reopen a saved image and answer two fictional safety scenarios.<br><br>**C:** Record which skills pupils perform independently and which need further guided practice. | checklist points and explain how to keep a useful source record. |

## MATERIALS NEEDED FOR THE WEEK

- Oxford International Primary Computing Student Book 2 printed pages 20-34
- Teacher computer and display
- Classroom computers or laptops and the class save folder
- Prepared picture cards, vocabulary prompts or task sheet
- Whiteboard and markers
- Student notebooks, pencils and colouring materials
- Prepared examples and the lesson success checklist

## END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
