Pearson Edexcel International GCSE (9-1) ICT Student Book, printed pages 66-93

End of week assessment

Check accurate terminology, explanations and application through the relevant book activities and questions. Record misconceptions and use the next feedback or consolidation session for corrections. Assess only content already taught.

Lesson 1

Mock assessment: Chapters 4-5

Date: 8 February 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to complete a mock assessment of the taught content and identify a specific learning target.

Lesson flow

Hook 5 minutes

Retrieve key vocabulary and concepts from the stated textbook pages.

Introduce 8 minutes

Explain the mock task and success criteria.

We do 10 minutes

Model a response format using an unrelated example.

You do 17 minutes

Complete the independent mock and identify a practice target.

Check 5 minutes

Record a specific revision target and any outcome needing further support.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.
