SIAMIS ICT Weekly Lesson Plan

Teacher: Ray Joshua Balingkit | Year 10–11 | Term 2 | Week 13

Year 10 course sequence: Units 1–3. Two 45-minute lessons. Year 11 progression: Units 4–6.

Lesson overview

This week covers internet information and services; changing jobs and working practices, social interaction and personal safety.

Pearson Edexcel International GCSE (9-1) ICT Student Book, printed pages 109-117

End of week assessment

Check accurate terminology, explanations and application through the relevant book activities and questions. Record misconceptions and use the next feedback or consolidation session for corrections. Assess only content already taught.

Lesson 1

Internet information and services; changing jobs

Date: 29 March 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to explain and apply internet information and services; changing jobs, using accurate textbook terminology and a justified example.

Lesson flow

Hook 5 minutes

Use a short scenario, image or retrieval question to introduce internet information and services; changing jobs.

Introduce 8 minutes

Teach internet information and services; changing jobs from printed pages 109-117; include the relevant definitions, diagrams and examples.

We do 10 minutes

Work through a textbook example or comparison for internet information and services; changing jobs; explain each decision and check understanding.

You do 17 minutes

Complete the relevant textbook activities and questions for internet information and services; changing jobs. Use a practical demonstration or scenario where appropriate; finish remaining practice as homework.

Check 5 minutes

Explain one key idea about internet information and services; changing jobs and justify an answer; record misconceptions for the next lesson.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.

Lesson 2

Working practices, social interaction and personal safety

Date: 31 March 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to explain and apply working practices, social interaction and personal safety, using accurate textbook terminology and a justified example.

Lesson flow

Hook 5 minutes

Use a short scenario, image or retrieval question to introduce working practices, social interaction and personal safety.

Introduce 8 minutes

Teach working practices, social interaction and personal safety from printed pages 109-117; include the relevant definitions, diagrams and examples.

We do 10 minutes

Work through a textbook example or comparison for working practices, social interaction and personal safety; explain each decision and check understanding.

You do 17 minutes

Complete the relevant textbook activities and questions for working practices, social interaction and personal safety. Use a practical demonstration or scenario where appropriate; finish remaining practice as homework.

Check 5 minutes

Explain one key idea about working practices, social interaction and personal safety and justify an answer; record misconceptions for the next lesson.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.

Materials

Teacher computer and display

School-approved applications, class save folder and fictional scenarios

Relevant textbook diagrams, activities and chapter questions

Student notebooks and a teacher assessment checklist

Teacher reflection

What worked well? _____

What needs reteaching or adjustment? _____
