SIAMIS ICT Weekly Lesson Plan

Teacher: Ray Joshua Balingkit | Year 10–11 | Term 3 | Week 2

Year 10 course sequence: Units 1–3. Two 45-minute lessons. Year 11 progression: Units 4–6.

Lesson overview

This week covers competition, unequal access and the digital divide and effects on society and chapter questions.

Pearson Edexcel International GCSE (9-1) ICT Student Book, printed pages 125-131

End of week assessment

Check accurate terminology, explanations and application through the relevant book activities and questions. Record misconceptions and use the next feedback or consolidation session for corrections. Assess only content already taught.

Lesson 1

Competition, unequal access and the digital divide

Date: 26 April 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to explain and apply competition, unequal access and the digital divide, using accurate textbook terminology and a justified example.

Lesson flow

Hook 5 minutes

Use a short scenario, image or retrieval question to introduce competition, unequal access and the digital divide.

Introduce 8 minutes

Teach competition, unequal access and the digital divide from printed pages 125-131; include the relevant definitions, diagrams and examples.

We do 10 minutes

Work through a textbook example or comparison for competition, unequal access and the digital divide; explain each decision and check understanding.

You do 17 minutes

Complete the relevant textbook activities and questions for competition, unequal access and the digital divide. Use a practical demonstration or scenario where appropriate; finish remaining practice as homework.

Check 5 minutes

Explain one key idea about competition, unequal access and the digital divide and justify an answer; record misconceptions for the next lesson.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.

Lesson 2

Effects on society and chapter questions

Date: 28 April 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to explain and apply effects on society and chapter questions, using accurate textbook terminology and a justified example.

Lesson flow

Hook 5 minutes

Use a short scenario, image or retrieval question to introduce effects on society and chapter questions.

Introduce 8 minutes

Teach effects on society and chapter questions from printed pages 125-131; include the relevant definitions, diagrams and examples.

We do 10 minutes

Work through a textbook example or comparison for effects on society and chapter questions; explain each decision and check understanding.

You do 17 minutes

Complete the relevant textbook activities and questions for effects on society and chapter questions. Use a practical demonstration or scenario where appropriate; finish remaining practice as homework.

Check 5 minutes

Explain one key idea about effects on society and chapter questions and justify an answer; record misconceptions for the next lesson.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.

Materials

Teacher computer and display

School-approved applications, class save folder and fictional scenarios

Relevant textbook diagrams, activities and chapter questions

Student notebooks and a teacher assessment checklist

Teacher reflection

What worked well? _____

What needs reteaching or adjustment? _____
