Pearson Edexcel International GCSE (9-1) ICT Student Book, printed pages 159-165

End of week assessment

Check accurate terminology, explanations and application through the relevant book activities and questions. Record misconceptions and use the next feedback or consolidation session for corrections. Assess only content already taught.

Lesson 1

Online information sources and searching

Date: 7 June 2027 | Duration: 45 minutes

Learning objective

By the end of this lesson, students will be able to explain and apply online information sources and searching, using accurate textbook terminology and a justified example.

Lesson flow

Hook 5 minutes

Use a short scenario, image or retrieval question to introduce online information sources and searching.

Introduce 8 minutes

Teach online information sources and searching from printed pages 159-165; include the relevant definitions, diagrams and examples.

We do 10 minutes

Work through a textbook example or comparison for online information sources and searching; explain each decision and check understanding.

You do 17 minutes

Complete the relevant textbook activities and questions for online information sources and searching. Use a practical demonstration or scenario where appropriate; finish remaining practice as homework.

Check 5 minutes

Explain one key idea about online information sources and searching and justify an answer; record misconceptions for the next lesson.

Differentiation

Support: Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers.

Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.
