Classroom introduction and rules

Week 1 | Original classroom reference

Our computer-room rules

1. Listen when someone is speaking.
2. Use clean, dry hands. Keep food and drinks away.
3. Carry and use equipment carefully.
4. Take turns and speak kindly.
5. Ask before opening a website or changing settings.
6. Stop and tell the teacher if something worries you.

Show your teacher

Point to the screen, keyboard and mouse. Show a gentle mouse click. Tell your partner one classroom rule.

Teacher check

Model each routine using the actual classroom equipment. Let pupils practise entering, sitting, handling the mouse and leaving their workspace tidy. Do not ask pupils to share account passwords.
