LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to identify a computer as a machine that helps people and name a screen, keyboard and mouse. They will also learn to demonstrate safe sitting and careful handling of computer equipment. Through class discussion, teacher demonstrations and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check the specific outcomes in each lesson row and note pupils who need further practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	31 August 2026	By the end of this lesson, students will be able to identify a computer as a machine that helps people and name a screen, keyboard and mouse.	**H:** Show a computer and ask what it helps us do. **ID:** Use the Unit 1 introduction and pages 6-7 to explain that people make and use technology to solve problems. **WD:** Point to the screen, keyboard and mouse. Model one useful computer task, such as drawing. **YD:** Pupils label or point to the three parts and draw one way a computer helps a person. **C:** Each pupil names a part and describes a useful computer task.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.
2	3 September 2026	By the end of this lesson, students will be able to demonstrate safe sitting and careful handling of computer equipment.	**H:** Compare a tidy workspace with a fictional unsafe example. **ID:** Use pages 8-9 to discuss reaching the keyboard and mouse comfortably, keeping food and drinks away and asking for help.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.

			WD: Demonstrate a safe seated position, gentle clicks and how to leave the desk tidy. **YD:** Partners check a prepared workspace using picture prompts, then practise safe mouse and keyboard use. **C:** Ask each pupil to demonstrate one safe routine and explain its purpose.

MATERIALS NEEDED FOR THE WEEK

- Y1 Computing T1 W02 Lesson Reference.pdf
- Student Book 1 printed pages 4-9
- Whiteboard and markers
- Prepared pictures or task cards
- Classroom computers or laptops
- Drawing paper or activity sheets
- Pencils and colouring materials; Student notebooks

END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
