LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to compare computer uses at home and school, including a use common to both. They will also learn to choose polite and considerate responses when sharing technology. Through class discussion, teacher demonstrations and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check the specific outcomes in each lesson row and note pupils who need further practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	14 September 2026	By the end of this lesson, students will be able to compare computer uses at home and school, including a use common to both.	**H:** Recall one home use and one school use. **ID:** Use pages 14-15 to introduce two overlapping circles for home and school. Explain that some activities belong in both. **WD:** Place a library-management card in school and a writing card in the overlap, explaining each choice. **YD:** Groups sort picture cards into home, school or both. Pupils explain one placement. **C:** Ask which activity can happen in both places and why.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.
2	17 September 2026	By the end of this lesson, students will be able to choose polite and considerate responses when sharing technology.	**H:** Show two children wanting the same computer and ask how they could take turns. **ID:** Use pages 16-17 to explain being courteous: thinking about others and communicating politely. **WD:** Role-play a calm response to an unkind	**Support:** Use pictures, adult reading and a paired demonstration.
