LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Assessment week covering Unit 1. Use school-approved assessment materials.

End-of-Week Assessment/Check: How will you know they got it?

Use the school-approved assessment tasks, agreed access arrangements and teacher records. Mark and give feedback after the assessment window closes.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	12 October 2026	By the end of this lesson, students will be able to demonstrate the taught learning under the school's assessment arrangements.	**H:** Settle pupils, check seating and explain the classroom routine calmly. **ID:** Read the approved internal assessment instructions and check understanding of the response method. Do not teach new content or disclose answers. **WD:** Demonstrate where or how to give a response using an unrelated example if the approved instructions permit it. **YD:** Pupils complete the school-approved oral, picture, written or practical assessment. Record observations and provide only agreed access support. **C:** Collect and check that work is identified appropriately. Store responses and notes for marking.	**Support:** Provide only school-agreed access arrangements, such as reading instructions or an alternative response mode, without changing the assessed demand. **Extension:** Pupils who finish check their work quietly and follow the teacher's approved completion routine.
2	15 October 2026	By the end of this lesson, students will be able to complete any scheduled assessment activity and follow the school's completion routine.	**H:** Remind pupils of the assessment-week routine and check any remaining scheduled tasks. **ID:** Explain the school-approved arrangements	**Support:** Apply the same agreed access arrangements as the first assessment lesson. **Extension:** Use the approved quiet completion routine; do

			for completion or an additional practical assessment. Give feedback only after the assessment window has closed. **WD:** Model the response procedure without showing answers to live assessment items. **YD:** Pupils complete the assigned tasks independently with agreed access support. After closure, the teacher may use a familiar non-assessed consolidation activity. **C:** Collect remaining work, record completion and note next steps for feedback and support.	not set new examinable content.
