LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to use a page menu to find and communicate one useful animal fact. They will also learn to follow a prepared hyperlink and return to the previous page. Through class discussion, teacher demonstrations and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check the specific outcomes in each lesson row and note pupils who need further practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	2 November 2026	By the end of this lesson, students will be able to use a page menu to find and communicate one useful animal fact.	**H:** Ask a focused question such as where a rainforest animal lives. **ID:** Use pages 26-27 to distinguish a website, its menu and its page content. **WD:** Follow one menu choice and locate a short fact on a prechecked page; read it aloud. **YD:** Pupils find an assigned fact on the same approved site, then draw it or dictate one sentence. **C:** Ask pupils to point to the part of the page that supports their fact.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.
2	5 November 2026	By the end of this lesson, students will be able to follow a prepared hyperlink and return to the previous page.	**H:** Ask what happens when we click a link. **ID:** Use pages 28-29 to introduce hyperlinks and browser navigation. Explain that text and pictures can be links. **WD:** Follow a safe prepared link, use Back and return to the starting page.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.

			YD: Partners follow a two-step route on the selected site, take turns controlling the mouse and return using Back. **C:** Observe each pupil following one link and returning successfully.

MATERIALS NEEDED FOR THE WEEK

- Y1 Computing T1 W11 Lesson Reference.pdf
- Student Book 1 printed pages 26-29
- Whiteboard and markers
- Prepared pictures or task cards
- Classroom computers or laptops
- Drawing paper or activity sheets
- Pencils and colouring materials; Student notebooks

END-OF-WEEK REFLECTION

- What worked well?

- What flopped or confused students?

- What needs to be re-taught or adjusted next week?
