LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Students will learn to use a prechecked page to communicate an animal fact while following online-safety routines. They will also learn to show what to do when worried online and identify personal information. Through class discussion, teacher demonstrations and practical activities, students will practise these skills and explain their ideas.

End-of-Week Assessment/Check: How will you know they got it?

Use teacher observation, pupil explanations and the completed practical or paper activity. Check the specific outcomes in each lesson row and note pupils who need further practice.

LESSON SLOTS - MONDAY AND THURSDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	16 November 2026	By the end of this lesson, students will be able to use a prechecked page to communicate an animal fact while following online-safety routines.	**H:** Ask which rainforest animal the class could investigate. **ID:** Revisit web-page features, approved links and asking for help. **WD:** Find one short fact and show how it relates to a picture or text on the selected page. **YD:** Pairs follow a prepared route and make a small illustrated fact card. Teacher reads text aloud where needed. **C:** Ask pupils to point to the source feature and describe one safety action.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.
2	19 November 2026	By the end of this lesson, students will be able to show what to do when worried online and identify personal information.	**H:** Recall the help signal used in the computer room. **ID:** Explain the oral and picture-based learning check on pages 34-35. **WD:** Model how to listen to a scenario and choose an appropriate response.	**Support:** Use pictures, adult reading and a paired demonstration. Accept pointing or an oral response before writing. **Extension:** Ask pupils to explain their choice and give another appropriate example.

			YD: Pupils individually answer a fictional online-worry scenario, name a trusted adult and identify a private-information example. **C:** Record which safety routines pupils can explain independently.
