Check what you know

You have learned

- how to find things out using the computer
- to be safe and polite in the computer room
- who can help you if you are worried.

Test

A student saw something that worried them on a web page.

1. Show or tell what you would do.
2. Write the name of a grown-up you would tell if you were worried.
3. Say one thing that is personal information.

Activities

1 Look at pictures of butterflies on a web page.

2 Draw a picture to show one thing you saw on a web page.

3 Write an interesting fact about butterflies.

Self-evaluation

- I answered test question 1.
- I did activity 1.
- I answered test questions 1 and 2.
- I did activities 1 and 2.
- I answered all the test questions.
- I did all the activities.

Re-read any parts of the unit you feel unsure about. Try the test and activities again – can you do more this time?
