LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Lesson 1: Assessment week. Lesson 2: Assessment week. Students will demonstrate independently the taught knowledge and analysis skills and complete the assessment and review learning needs. Knowledge and application follow the Film and Television units.

End-of-Week Assessment/Check: Review the independent responses and both exit checks for accurate terminology, specific evidence and clear explanations. Record misconceptions for the next lesson.

LESSON SLOTS - TUESDAY AND FRIDAY

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	1 December 2026	Lesson 1: Assessment week By the end of this lesson, students will be able to demonstrate independently the taught knowledge and analysis skills.	H (5 min): Settle students, check materials and explain the assessment instructions. ID (5 min): Clarify timing and question requirements without providing answers. Scope: Film and Television content taught in Weeks 1 to 6 and 10 to 13; assessment instructions, timing and independent work expectations. WD (5 min): Demonstrate how to read instructions and allocate time using a separate neutral example. YD (25 min): Students complete the scheduled internal assessment using analysis and application tasks matched to taught content. C (5 min): Students check all required questions have been attempted before submission. Collect work and record completion.	Support: Apply agreed access arrangements and clarify instructions without supplying answers. Extension: Complete the same assessment independently; use remaining time to check evidence and explanations.

2	4 December 2026	Lesson 2: Assessment week By the end of this lesson, students will be able to complete the assessment and review learning needs.	H (5 min): Settle students, check materials and explain the assessment instructions. ID (5 min): Clarify timing and question requirements without providing answers. Scope: remaining scheduled assessment tasks; checking evidence and explanations without coaching answers. WD (5 min): Demonstrate how to read instructions and allocate time using a separate neutral example. YD (25 min): Students finish and submit independent work; when all scripts are secure, record a personal learning target without discussing live questions. C (5 min): Students confirm submission and identify a next learning target. Collect work and record completion.	Support: Apply agreed access arrangements and clarify instructions without supplying answers. Extension: Complete the same assessment independently; use remaining time to check evidence and explanations.
