LESSON OVERVIEW

What should students know/do by the end of this week's lessons?

Mock assessment: Chapter 1. Feedback, corrections and revision.

End-of-Week Assessment/Check: How will you know they got it?
Check accurate terminology, explanations and application through the relevant book activities and questions. Record misconceptions and use the next feedback or consolidation session for corrections. Assess only content already taught.

Lesson	Date	Learning Objective	The Lesson Flow	Differentiation
1	5 October 2026	By the end of this lesson, students will be able to complete a mock assessment of the taught content and identify a specific learning target.	**H:** Retrieve key vocabulary and concepts from the stated textbook pages. ID: Explain the mock task and success criteria. **WD:** Model a response format using an unrelated example. YD: Complete the independent mock and identify a practice target. **C:** Record a specific revision target and any outcome needing further support.	**Support:** Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers. Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.
2	7 October 2026	By the end of this lesson, students will be able to correct errors from the mock assessment and apply the corrected understanding to a new example.	**H:** Retrieve key vocabulary and concepts from the stated textbook pages. ID: Explain the misconceptions identified in the mock assessment. **WD:** Model a correction and explain why it works. YD: Correct the original work and complete a similar follow-up task.	**Support:** Provide labelled diagrams, vocabulary, a structured response frame and a worked example. Apply agreed access arrangements during independent assessment without supplying answers. Extension: Justify an alternative solution, explain a limitation or apply the same concept to a new scenario using evidence.
